

# Magnetically Sensitive Components

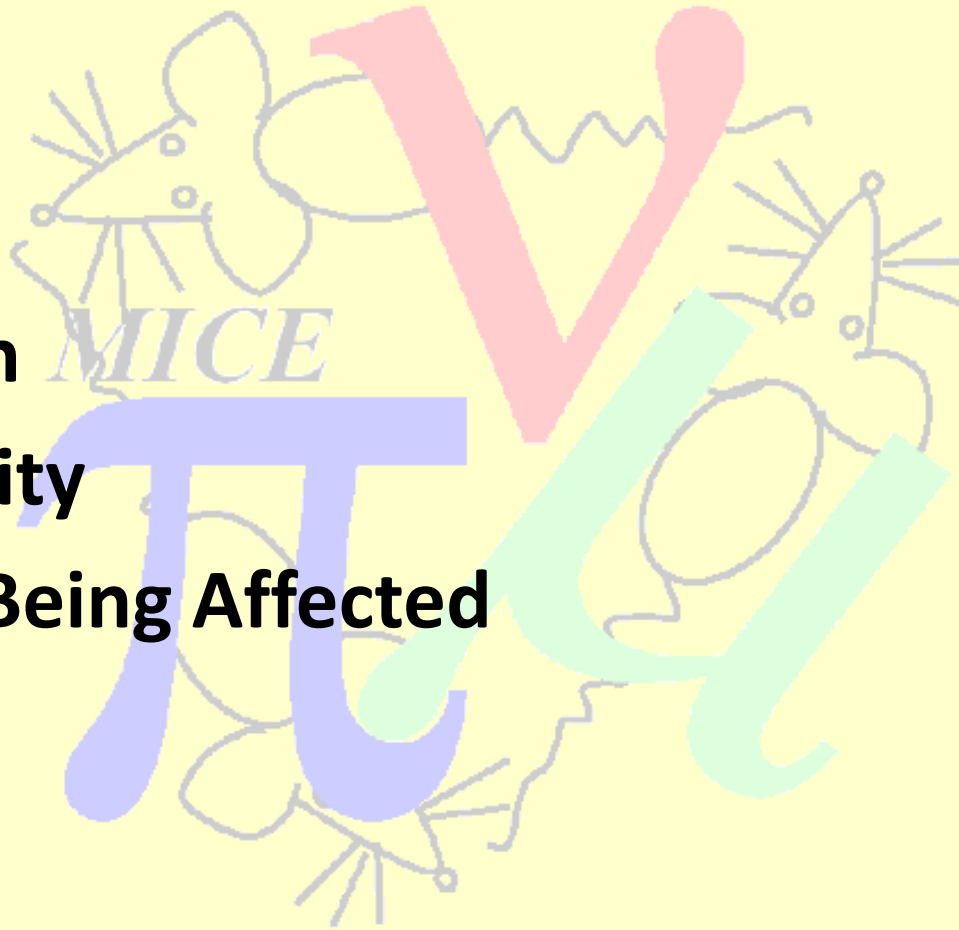

Luke Fry – 08/08/12

# Motivation

- **Comprehensive Inventory of Components**
- **Gather Information**
- **Remind System Owners of Small Components**
- **Categorise Components**

# Categorising Components

- **Size**
- **System**
- **Location**
- **Sensitivity**
- **Risk of Being Affected**

# Next Steps

- **Complete the Spreadsheet**
- **System Owners to Provide Information on:**
  - Sensitivity of components
  - Magnetic mass
  - Risk level
  - Any components which have been missed
